

Introducing the **NEW**

BRUMBY

This is the camper Cub is known for – with good reason. It is built to cope with extreme outback conditions; with a rugged construction and compact body it can go places others can't. Also comes with a 5-year warranty on the canvas, independent suspension and chassis.

The hard floor keeps you high and dry, in the desert or the rainforest and the 2018 model is packed with premium features. There's a new 2-burner Smev stove and stainless steel sink, LED bedside lighting, solar input, two 4kg gas bottles, two 20L jerry can holders, 80L water tank, loads of power inclusions and more!
