

Introducing the **NEW**

# EXPLORER

If you have been looking for an Australian made off-road camper that suits your budget, the Explorer could be it. This camper features the same robust quality as all Cubs, without the price tag. With all Australian steel and canvas and full off-road warranty – wherever you want to go, in whatever conditions, the Explorer will take you there

You can be budget conscious AND buy Australian-made! Standard fittings include a 12V battery system, fridge box, deluxe awning and leaf spring off road suspension.

The 2018 model features even more optional extras, such as a 240V power pack.
